EDUCATION

SRM University Modinagar SRM Institute of Science and Technology NCR Campus, SRM IST Delhi-NCR Campus
Bachelors in Technology (CSE)

EXPERIENCES

Recur — SWE Intern   June 2024 (Present)
Udyog Vihar phase 3, Gurugram, Haryana, India

- As a Software Engineer Intern, I developed both frontend and backend features, including an internal tool to efficiently manage company image assets. My work enhanced UI/UX and streamlined backend processes.

Tejas Capital Management — Business Digital Development Intern   January 2024 - March 2024
Janakpuri West, Delhi, India

- I developed a custom portfolio website, optimized operations, and provided strategic insights for business growth. Additionally, I conducted market research and offered ongoing support to the owner's success and development.

Vruoom — Digital Expansion   September 2023 - January 2024
Palam Vihar, Gurugram, Haryana, India

- I led the creation of the company's first website, igniting sales. Collaborating on service optimization and strategic planning, I drove operational excellence. Additionally, I supported market research and ongoing team efforts, fostering growth.

PROJECTS

Secret Chat | *ReactJs, NodeJs, Firebase, Zustand, Toastify, Vite*   link

- Real time chat application.

Signature | *HTML, CSS, JavaSc*   link
